From (Name) R. H. Ellis, Esquire, I.C.S.,

(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

The minimum number of members prescribed by the Act as applied to this district are as follows:-

Ex-officio	(Collector.	
	(Inspector of Schools.	
	(Assistant Inspector.	
	(President, District Board.	
Elected	(District Board	1 member.
	(Taluk Boards	6 members.
	(Municipal Council	1 member.

Nominations are limited to one-fourth of the total excluding ex-officio members. On the above scale this would allow 3 nominations making a total membership of 15. This seems to me sufficiently large. The District Board might, perhaps, be allowed to elect two members. but there

seems no necessity to increase the representation of the Talu Boards which now only represent a revenue taluk each. It is probable that the District Board will be represented by ----- Mr. Koragappa, a Billawar by caste and the Udipi Taluk Board almost certainly by Khan Bahadur Haji Abdulla Saheb. This - will give sufficient representation of backward classes and I would recommend that the three nominated seats be given to -- the Inspectress of Girls' Schools, there being no private --- individual with a sufficient knowledge of the Girls' Schools in the district, and to a representative of the Roman Catholic Educational institutions and a representative of the Kanara - Evangelical Mission. The latter two bodies may be allowed to elect their representative.

NOTES.

(C.No.621) From the D.P.I No.155 dated 8-2-21

3. The Collector is of the opinion that the President of the Council should be appointed by the Government. The Point is for orders.

If you eventually want taxation
you must get the local bodies to
take interest in education & see
how inadequate our resources
are. I would give one more
representative to the Calcutta board
thus raising the total number to 26.

2. In an advanced district
like S Kanara, surely
election can be tried?
